Classic Colours: This colour range offers a wide choice of traditional Swarovski crystal colours.

Exclusive Colours: This colour range is offered exclusively by Swarovski.

The standard assortment of colours and effects may vary according to the product group.

Slight changes in shades are unavoidable and may vary according to cut and shape.

* Crystals are not resistant to plating and similar processing.

** Crystals are only resistant to plating if they are foiled.

*** Effects only available as special productions.

**** Fireopal is only available on art. 4470 Fancy Stone.
